Cambridgeshire Future Transport – bus service review

Your bus service could be changing...

Have your say!

Bus services under review:

15: Haslingfield – Royston	(net cost = £3,022 p/yr.)*
127: Guilden Morden – Royston	(combined net cost = £62,486 p/yr.)*
128: Royston – Melbourn circular	

Why?

This is due to a **40% reduction in funding** to provide bus services that are subsidised by Cambridgeshire County Council.

Cambridgeshire Future Transport (CFT) is a programme that is working with communities to help review these services to meet these savings.
