MELDRETH PARISH COUNCIL

MINUTES AS YET UNAPPROVED of the Parish Council Meeting held on **5**th **February 2009**, 7.30 p.m. in The Green Room, Meldreth Village Hall

Present: Mr C A Land – Chairman (CAL); Mr R A Searles – Vice Chairman (RAS); Mr A P Burlton (APB); Mr G V Borgonon (GVB); Mr S W J Chamberlain (JC); Mrs C J Fallon (JF); Mr S J Hawkins (SJH); Mrs J Montague-Fuller (JMF); Mr P A Ray (PAR)

In Attendance: Cllr Dr S van de Ven (Councillor, South Cambridgeshire District Council [SCDC]); Cllr D McCraith (Cambridge County Councillor [CCC]) and Mrs J Damant (Clerk)

<u>Guest Speaker</u>: Mr Ed Barnes of McCann Homes addressed the meeting with their proposed plans for new affordable housing in the village. Catherine Shilton (Cambridgeshire ACRE) and Mike Cramp (Flagship) were unable to attend the meeting.

The proposed site is the area behind the Burtons development and comprises of 8, 2-bedroom homes; 18, 2-bedroom houses and 8, 3-bedroom houses. At the moment this is just a proposal and a Housing Needs Survey will need to be conducted before any further decisions can be made.

The Parish Council would like to know about moving the speed limit so that it includes the Burtons area and for a new pavement to be installed from the Fenny Lane crossroad to Burtons. These are issues that could be made stronger if there were more people in the area. Although the speed limit is not a planning condition it is a consideration that needs to be looked into. McCann Homes would work with Flagship Housing on the development. In the two previous projects of Elin Way and Burtons (the latter is a Rural Exception site and can only go to local residents) most have gone to residents with a strong connection to the village.

The school would be included in the planning application to make sure they are capable of accommodating extra children. Anglian Water would be involved to ensure the village sewage system could cope.

20/2/00	Rail Station booking office, proposed reduction in opening hours: Cllr van de Ven has received calls from people

	representatives, including parish councils, in affected villages, were not notified of their proposal to cut booking			
	office opening hours; the response was that they are not obliged to consult beyond Passenger Focus and London Travelwatch. The task of spreading the word has fallen to individual residents, who have given much of their time.			
	Cllr van de Ven has asked Elaine Holt, Managing Director of FCC, if she would come out to Meldreth to meet local			
	rail users and she has agreed. Awaiting date to be set.
